

The Engaged Associate:

Thriving in Your Diverse Organization

Being connected at work allows you and your organization to thrive in a diverse and ever-changing world.

This workshop will help contributors feel more included, valued and accountable.

Agenda - Training is available on our eLearning platform or yours, as well as in your classroom:

Participants will complete the workshop's inclusion awareness self-assessment online prior to the workshop

- **Understanding your diverse workplace**
- **Diversity exercise**
- **Barriers and accelerators for building an inclusive workplace**
- **Discovering your own biases and blind spots**
- **Your self-assessment results**
- **Three ways to become more engaged and motivated**
- **Helping your organization create an inclusive environment**
- **Personal Action Planning and key take away's**
- **Session close**
