Activity

PREPARATION TIPS
Read the Huddle before
facilitating.

1. **Say:** "Our Moorings Park Mission is to provide simply the best facilities and services for successful aging with professional and compassionate care to each person we serve."
2. **Ask:** "Mission statements give an organization their shared purpose. Why is it important for us here at Moorings Park to have a shared purpose?" (Answer: "A shared purpose guides our actions and unites us as a team)."
3. **Ask:** "Why does our Mission Statement use the words *professional and compassionate care* together? How is it possible to be both professional and compassionate?"
4. **Say and Ask:** "Now take a moment and think about your own purpose here. What would your Personal Mission Statement look like? Take a few moments and share your ideas with a few people around you."
5. **Ask:** "What did you talk about? What would you include in your Personal Mission Statement?"
6. **Say:** "The Moorings Park Mission and your own mission or purpose can inspire you to achieve your best every day. All it takes is to remind yourself how important these are!"
